HOW COME BIRDS SHED A LOT?
USUALLY ITS BECAUSE OF MOLTING SEASON...
BUT I KNOW SOME BIRDS SHED LIKE 24/7 EVEN WHEN ITS NOT MOLTING SEASON!

ER...MAYBE BECAUSE OF THE TEMPERATURE OR THEIR DIET?

THEN WHAT SHOULD I FEED MY BUDGIES?

DO BUDGIES LIKE TAKING BATHS?

HOW DO YOU CLEAN UP THEIR FEATHERS AND THEIR POO?

WHATS THEIR FAVORITE TOYS?

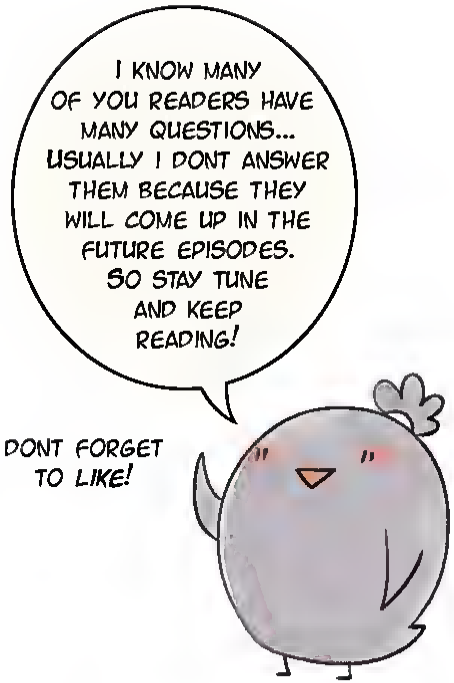
IS THIS A HOW TO TAKE CARE OF BUDGIES 101 INFORMATIVE COMIC?
FROM WHAT I RECALL...THIS IS JUST A COMIC ABOUT MY BUDGIES AND MY DAILY LIFE WITH THEM.
BUT ITS NICE THAT THEY WANT TO KNOW MORE.
BUT WE SHOULD STILL ANSWER THOSE QUESTIONS, RIGHT?
HM...BUT WE CANT ANSWER EVERYTHING...

EXPERT...

INDEED..

IF THEY **REALLY** WANT TO KNOW..WE SHOULD JUST **SAY**...

BOOGLE IT? IS THAT LIKE THEIR MEME OR SOMETHING?
NAH...MORE LIKE THEIR LAZY EXCUSE TO AVOID ANSWERING QUESTIONS...



I KNOW MANY OF YOU READERS HAVE MANY QUESTIONS... USUALLY I DONT ANSWER THEM BECAUSE THEY WILL COME UP IN THE FUTURE EPISODES. SO STAY TUNE AND KEEP READING!
DONT FORGET TO LIKE!
